Preparedness for Active Shooter and Violence within the Community

News headlines remind all of us that we need to be aware of our environment. It can happen anywhere. It has happened here. Plan and Prepare!

- The average Active Shooter event lasts 4-8 minutes.
- Over 70% of Active Shooter incidents are over in 5 minutes or less.
- National average for Law Enforcement is 5-6 minutes.

Presenters

Rick Corey, RASCW, Membership Engagement Director

Jason and Brenda Horstman, Owners, Horstman Computers

RASCW's Rick Corey and Jason and Brenda Horstman from Horstman Networks: Computers, smartphones and tablets are all vulnerable to the threats lurking around the digital world. There are things you can and should do to protect your devices. Learn what you can do to protect yourself and your business from the dangers that put you at risk online.

This is a FREE program, but you must reserve your seat.
